- ♦ The objectives for each section are usually things I plan to emphasize during the class.
- ♦ I have found that summarizing and outlining helps me to better understand the Word of God. It is a practice I highly recommend to others.
- ♦ I generally delete the answers to the review questions before printing the material and giving it to the students. But that you might know what answers were intended by the questions, I have included them in these guides.

This material is from **ExecutableOutlines.com**, a web site containing sermon outlines and Bible studies by Mark A. Copeland. Visit the web site to browse or download additional material for church or personal use.

The outlines were developed in the course of my ministry as a preacher of the gospel. Feel free to use them as they are, or adapt them to suit your own personal style. To God be the glory!

# The Second Epistle To The Thessalonians

## Introduction

### AUTHOR

The apostle **Paul**, joined in his salutation by **Silvanus** and **Timothy (1:1)**, and with a reference to his own signature at the end of the epistle (**3:17**). Early sources in church history that attribute this letter to Paul include: Clement of Alexandria (200 A.D.), Tertullian (200 A.D.), and Irenaeus (200 A.D.).

### THE CITY OF THESSALONICA

It was the capital and largest city of the Roman province of Macedonia. Located on the Egnatian Way, a major road from Rome to the eastern provinces, the city served as center of trade and commerce. Today, it is known as Thessaloniki, or Salonica.

### THE CHURCH AT THESSALONICA

The establishment of the church is recorded in **Ac 17:1-9**. On his second missionary journey, Paul and his companions (Silas and Timothy) had just left Philippi and passed through Amphipolis and Apollonia to arrive at Thessalonica. As was his custom, Paul immediately located the synagogue and reasoned with the Jews for three Sabbaths concerning Jesus Christ. While some of them were persuaded, including a great number of devout Greeks and leading women, the unbelieving Jews became jealous and created an uproar in the city. Therefore it became necessary to send Paul and Silas away secretly by night to Berea.

Despite such ominous beginnings, a strong church was established in Thessalonica (cf. **1:2-10**). Mostly Gentile (cf. **1:9**), its members included Jason (**Ac 17:9**), Aristarchus, and Secundus (**Ac 20:4**). It had already been the recipient of an earlier letter (First Thessalonians).

### TIME AND PLACE OF WRITING

Second Thessalonians appears to have been written just a few months, possibly a year, after First Thessalonians. This would place the writing of the epistle during Paul's extended stay at **Corinth** on his second missionary journey (cf. **Ac 18:1-11**), sometime around **53 A.D.**

### PURPOSE OF THE EPISTLE

The first epistle to the Thessalonians had been written in response to news brought back by Timothy who had made a quick trip there while Paul was in Athens (cf. **1 Th 3:1-3,6**). Encouraged by their steadfastness in the face of persecution, Paul had exhorted them to holiness in view of the Lord's coming (cf. **1 Th 3:12-13; 5:23**).

From the second letter, it appears that they remained strong in the Lord despite persecution (cf. **1:3-4**). But it is apparent from this letter that misunderstanding about the Lord's coming was present in the church. Some of the members were being troubled by false reports (cf. **2:1-2**); others had stopped working, perhaps assuming that the Lord's imminent return meant one did not need to work anymore (cf. **3:11-12**).

Paul's purpose in writing this epistle, therefore, is three-fold:

- ◆ To encourage them in their steadfastness under persecution
- ◆ To correct their misunderstanding about the imminence of the Lord's return
- ◆ To instruct the congregation on what disciplinary action to take toward those who refused to work

## **THEME OF THE EPISTLE**

In correcting their misunderstanding about the return of Christ, Paul explains that the Lord will not come right away (cf. **2:1-3**). Therefore they need to continue with steadfastness and patience for which they had been commended. A suggested theme of this epistle might therefore be:

### **STEADFASTNESS WHILE WAITING FOR THE COMING OF CHRIST**

## **KEY VERSES: 2 Thessalonians 2:15-17**

*"Therefore, brethren, stand fast and hold the traditions which you were taught, whether by word or our epistle. Now may our Lord Jesus Christ Himself, and our God and Father, who has loved us and given us everlasting consolation and good hope by grace, comfort your hearts and establish you in every good word and work."*

# The Second Epistle To The Thessalonians

## Chapter One

### OBJECTIVES IN STUDYING THIS CHAPTER

- 1) To note the virtues that demonstrated the spiritual growth and development of the church at Thessalonica
- 2) To glean what will happen when Christ comes again, and upon whom His vengeance will fall

### SUMMARY

As in the first epistle, Paul is joined by Silvanus and Timothy as he extends a salutation to the church of the Thessalonians, along with a petition for grace and peace in their behalf **(1-2)**.

He makes mention of his obligation to always thank God for the growth of their faith and the way their love abounded towards one another. He is so impressed that he has boasted to other churches of their patience and faith in the midst of persecutions and tribulations **(3-4)**.

Paul then offers encouragement in their persecutions by reminding them of the righteous judgment of God. Because of their suffering, which made them worthy of the kingdom of God, God will be righteous to bring tribulation upon those who trouble them, and to give them rest along with Paul and others. This will happen when Jesus is revealed from heaven with His mighty angels, when in flaming fire He will take vengeance on those who do not know God and who do not obey the gospel of Jesus Christ. While these are punished with everlasting destruction from the presence of the Lord, Christ Himself will be glorified in that Day and admired by all those who believe **(5-10)**.

This leads to his prayer concerning them. His desire is that God would count them worthy of His calling, fulfill His good pleasure and the work of faith with power, and that the name of the Lord might be glorified in them, and they in Him, in keeping with the grace of God and the Lord Jesus Christ **(11-12)**.

# The Second Epistle To The Thessalonians

## Chapter Two

### OBJECTIVES IN STUDYING THIS CHAPTER

- 1) To examine what is revealed about the "man of sin" whom the Lord will destroy at His coming
- 2) To consider how those who do not have a love for the truth are setting themselves up to be deceived by the man of sin
- 3) To discern why God will send a strong delusion to some that they will believe a lie

### SUMMARY

Evidently Paul received word that some of the Thessalonians had the impression that the day of Christ had come, that is, it was near at hand. To reassure them such was not the case, he reminds them of those things he had told them while he was still with them. That is, Christ will not come until the falling away occurs, and the man of sin is revealed (1-3). Paul then describes this man of sin and explains that he is currently hindered from being revealed. When that which restrains him is removed, the man of sin will become apparent, whom the Lord will destroy with His coming (4-8). The coming of the lawless one is further described, whose coming will be according to the working with Satan. With all power, signs, and lying wonders, he will deceive those who do not have a love for the truth. Indeed, God will also send a strong delusion to those who do not love the truth, that they might believe the lie and be condemned for taking pleasure in unrighteousness instead of believing the truth (9-12).

As for the Thessalonians themselves, Paul is ever thankful that God has chosen them for salvation through sanctification by the Spirit and belief in the truth, having called them by the gospel to obtain the glory of the Lord Jesus Christ (13-14). He therefore exhorts them to stand fast and hold to the traditions taught by word or epistle, and prays that Jesus and God the Father will comfort their hearts and establish them in every good word and work (15-17).

# The Second Epistle To The Thessalonians

## Chapter Three

### OBJECTIVES IN STUDYING THIS CHAPTER

- 1) To notice the importance of prayer in spreading the Word and in assisting the spiritual development of brethren
- 2) To examine the purpose and methodology of discipline in a local congregation

### SUMMARY

In this last chapter we first find Paul soliciting prayer in his behalf, that the word of the Lord might have free course and be glorified, and that he might be delivered from unreasonable and wicked men (1-2). Confident in the Lord to establish and guard them from the evil one, he is also confident that they will do the things he commands them (3-4). He follows with a prayer that the Lord direct their hearts into the love of God and into the patience of Christ (5).

One last item needs to be discussed, and that is the need for disciplinary action towards those who are walking disorderly and not according to the tradition received from Paul. Reminding them of his own example of laboring night and day while with him, he charges that if anyone will not work, neither should he eat (6-10). Paul had heard there were members who had stopped working, and had become busybodies. He exhorts such members to work in quietness and eat their own bread. If they do not, the others are to note such persons and not keep company with them, that they may be ashamed. Such disciplinary action was to be administered in a brotherly way, not as toward an enemy (11-15).

Paul closes his second epistle to the Thessalonians by first asking that the Lord of peace give them peace always in every way (16). He then offers a salutation in his own handwriting as a sign of authorship, followed with a prayer that the grace of the Lord be with them all (17-18).
